

Allianz Risk Transfer

Integrated Solutions

Allianz 

Allianz Risk Transfer (ART) offers global corporate clients customized, multiyear, multi-line integrated solutions. We believe a holistic approach to global risk management is key to protecting our clients' assets.

Increased competition has led to rising liabilities. Is our risk finance strategy correct?

We are launching a new captive. How do we protect its capital?

An IT breakdown would be catastrophic. How do we protect against a material financial loss?

The downturn resulted in significant retained losses. We need help managing continued volatility.

A Complex World

Evolving economic and environmental factors pose new and challenging risks to global corporations – ones that cannot be mitigated solely through traditional insurance products.

Our two major suppliers are based in the same region. How do we mitigate our exposure?

A Capable Partner

ART can help you manage these risks. We offer sophisticated, multi-line, multiyear integrated solutions that allow you to transfer risks that could result in a material financial loss if uninsured.

Integrated Solutions

Our Capabilities and Client Benefits

- Customized solutions covering a broad range of risks on a multiyear and multi-line basis
- Risk-funded covers not efficiently available in the market
- Basket aggregate stop-loss feature allows for strategic management of retained volatility
- Second event, parametric and dual trigger components
- Market-leading capacity: \$50 million per loss, \$100 million annual and \$150 million over a three-year term
- Coverage and rates are locked in over multiple years
- Stable aggregate limit of liability over the term
- Ability to share in the positive outcomes over the term
- Specialized boutique services not available in the traditional market

ART creates innovative risk management solutions for a wide range of corporate clients, including leading companies in the energy, construction, pharmaceutical and apparel industries. We specialize in building customized long-term agreements covering a broad range of risks, leveraging both our own expertise in alternative risk transfer and the global capabilities of the Allianz Group.

An aerial photograph of a city, showing a mix of residential buildings with red-tiled roofs and modern commercial skyscrapers. A bright green speech bubble is overlaid on the image, containing text.

A cyberattack is a material risk for us.
What are our options to protect ourselves?

Industries and Risks

Industries	Risks
Food & Beverage	<ul style="list-style-type: none">• Product Tampering• First Party Recall• Advertiser's Liability
Servicing & IT	<ul style="list-style-type: none">• Advertiser's Liability• Warranty• Professional Indemnity
Telecommunications	<ul style="list-style-type: none">• Extended Business Interruption• Loss of Profit Following Business Interruption• IT System Breakdowns
Pharmaceutical	<ul style="list-style-type: none">• Product Liability• Supplier's Extension• Excluded Products
Construction	<ul style="list-style-type: none">• Contractual Penalties (Liquidated Damages)• Cost Overruns• Delay in Start-Up

Day-long power outages impacted operations twice this year. What if we lost power for a week?

How We Work with You

ART will put together a diverse team of experts to understand your business, the risks you manage and your risk transfer goals. This highly consultative, in-depth process results in superior programs tailored to your company's needs.

Challenge: A pharmaceutical company is interested in managing their product liability exposure in an efficient manner.

ART's Solution: A blend of risk financing and risk transfer over a multiyear period that affords vertical protection, while helping to manage retained volatility.

Our products liability exposure becomes more complex each year. We need a new solution.

Challenge: A construction company is concerned with runaway premiums around key exposure areas including cost overruns, liquidated damages and weather delays.

ART's Solution: A multi-line, multiyear risk financing solution that incorporates a mezzanine structured retention.

We face complex risks on five continents. We need an efficient portfolio solution.

ART's Integrated Solutions can help you manage your most challenging business risks on a portfolio basis with multi-line, multiyear programs that scale with your business.
